Marshmallow Challenge

Materials:

- 20 sticks of spaghetti
- 1 yard of tape
- 1 yard of string
- 1 large marshmallow
- scissors (to cut materials)
- yard stick (to measure)

Rules:

- Your challenge is to build the tallest freestanding structure using ONLY the above listed materials.
- The winning team is the one that builds the tallest freestanding structure measured from the table top surface to the top of the marshmallow.
- The team's structure must stand on its own for measuring. Teams touching or supporting their structure will be disqualified.
- Teams can use as much or as little of the 20 sticks of spaghetti, tape, and string provided. Extra materials CANNOT be provided.
- The entire marshmallow must be on the top of your structure. Cutting or eating part of the marshmallow will disqualify your team.
