

2020-2021 Florid Disaster Fund Long Term Recovery Grantees

Organization	Recommended Award	Project Summary
United Way Of Collier County Inc	\$322,934.00	United Way of Collier County will provide funding for the Hurricane Irma Disaster Case Management program which will provide disaster case management for at least 30 Collier County survivor households by rebuilding the damaged portions of their houses.
Rebuilding Together Tampa Bay Inc	\$783,894.76	RTTB's Disaster Recovery Home Repair Project will repair and rebuild Irma-impacted homes including repair or replacement of roofs, soffit, fascia, and drywall in addition to preventative work to ensure the impacted home can stay dry and in a safe and livable condition, able to withstand a future environmental disaster. Our target population will be low and moderate-income homeowners residing in Hillsborough and Pinellas Counties in Florida. The project will serve at least fifty-five (55) homeowners that meet eligibility criteria.
Treasure Coast Food Bank	\$125,000.00	TCFB will help 150 to 200 low-income households with recovery from the impacts of Hurricane Irma. TCFB will utilize a comprehensive and holistic approach to identify and address the unique challenges each household faces.
The Nonprofit Center of Northeast FL for Northeast Florida Long-Term Recovery Organization	\$450,000.00	Funding will allow the NFLTRO's home repair program to continue beyond roughly 10 more cases to address the repairs of the 51 families that remain in our queue. Our limited home repair program is designed to bring homes back to a safe, sanitary, and secure condition.
United Way of Broward County	\$426,452.22	United Way of Broward County goal is to encourage long-term residency, stability by increasing the number of safe and healthy housing units in order to be secure for the next hurricane event through making repairs and improving structures of target residents: the elderly, disabled, veterans, and families with children and other homeowners who show a commitment to make a sustainable change in their lives.
International Orthodox Christian Charities (IOCC)	\$128,707.00	IOCC will deliver almost \$400,000 more in services in order to assist additional Hurricane Irma survivors with home building and repair.
Volusia Interfaiths Agencies Networking in Disaster	\$954,625.00	VIND has nineteen identified clients will reach and achieve recovery. These clients will have their homes repaired/rebuilt and mobile homes replaced/relocated. No longer will these clients reside in unsafe and unhealthy environments. They will reach recovery and obtain their "new normalcy."
Samuel's House / dba: KeysStrong.Org	\$300,000.00	Samuel's House will oversee grant dollars entitled a Final BRIDGE, Post Hurricane IRMA Grant, to 110 families / households in the County; providing the services and items noted below, as well as collaboration via partnership agreement with Kids Come First of the Florida Keys, Inc, to provide the same services, to a minimum of 48 school-aged children (0-22) in the County. We will serve 158 families.
The Business and Technology Development Cooperation	\$360,149.00	The Business and Technology Development Cooperation will provide Disaster Case Management to secure housing for 100 families through our Emergency Tarp Protgram and address unmet needs of 25 homes, roof repair, ac repair, debris removal and other needs as identified through our case manager.
