2022 ANNUAL REPORT

Friends and Partners,

We are pleased to present Volunteer Florida's 2022 Annual Report. Volunteer Florida reflects on another successful year of strengthening Florida's local communities through our work in national service, emergency management, and volunteerism.

During the year, Volunteer Florida maintained its high commitment to serving Florida's communities. Volunteer Florida had 37 AmeriCorps programs serving in 35 counties during the 2021-2022 program year. Volunteer Florida's Volunteer Generation Fund program had 24 Florida non-profits who spent the grant year recruiting skills-based volunteers to serve Florida communities. Our Emergency Management department awarded 19 Community Emergency Response Teams (CERT) grants.

Volunteer Florida hosted the seventh annual "Suits for Session" service project with our partner, Simply Healthcare. The 5,144 items of professional clothing and accessories collected were donated to organizations dedicated to supporting job-seekers in Florida striving to enter or re-enter the workforce.

Volunteer Florida offered a six-week, 11-course Grant Writing Certification Program to better prepare Florida non-profit organizations for the grant application process and to increase their likelihood of selection for the different grant opportunities we offer throughout the year.

Volunteer Florida's Foundation organized a three-day Healthy Minds Summit sponsored by Sunshine Health for Florida middle and high school student leaders, which provided resources to our participants to learn about leadership skills, deepen peer relationships, and find innovative ways to help address the issues impacting our youth.

Through the Florida Disaster Fund, the Volunteer Florida Foundation has collected over \$60 million in donations to support community partners engaged in long-term recovery efforts in the areas affected by Hurricane Ian.

In October, the second annual virtual Volunteer Leadership Convening Series hosted by Volunteer Florida at no cost provided essential insights to equip Florida's volunteer engagement leaders as they expand the impact of service in communities statewide.

Volunteer Florida announced a research study conducted on the Nature of Volunteerism. Researchers at the University of Florida worked with Volunteer Florida to develop, implement, and analyze a scientific, quantitative survey of a random sample of Florida residents about the nature of volunteerism in Florida. The overview report and full study are available for download on our website.

In partnership with First Lady Casey DeSantis and the Florida Department of Education, Volunteer Florida helped to establish 100 Hope Ambassadors Clubs in 39 school districts. Through these clubs, middle and high school students can volunteer, mentor their peers, and help foster kind and compassionate environments. Each participating school received \$500 to develop and launch a Hope Ambassadors Club.

Our agency would not be able to #ServeFL without the strong support of Governor and First Lady DeSantis, our partners in the Florida Legislature, as well as Volunteer Florida's Commissioners, Foundation Directors, staff, sponsors, and partners who continue to fortify our efforts to serve Florida's communities.

Yours in Service,

JOHN DAVIS

Volunteer Florida Commission Chair

In 2022, Volunteer Florida secured over \$25 million in federal, state and local funding to deliver high-impact national service and volunteer programs in Florida.

Every dollar invested by the State of Florida is leveraged to secure \$19 in non-state funding.

AMERICORPS FLORIDA

- In 2022, Volunteer Florida administered 37 AmeriCorps programs made up of 1,612 AmeriCorps members who provided 1.24 million hours of service, valued at \$34.3 million dollars.
- These AmeriCorps members served 48,468 Florida students in 265 Florida schools across 35 Florida counties.
- AmeriCorps members were eligible to receive \$7.4 million in college scholarships upon completion of their year of service.
- In addition, AmeriCorps members leveraged an additional 2,742 volunteers who served alongside national service programs for an additional 26,882 hours valued at \$744,093.

AmeriCorps
Florida

Literacy Alliance of Northeast Florida | Rising Star Award Winner

- This unique literacy program is Volunteer Florida's only program to focus solely on providing services to adults with low literacy, whose first language is English, an often overlooked population.
- During the 2021-2022 program year, this program provided 417 individuals with adult basic and secondary education services. Over 210 of individuals served experienced gains in job readiness. In addition, the program recruited 85 volunteers to serve over 3000 hours providing additional literacy support.
- Members helped create new small group tutoring sessions, study halls, GED classes, and weekly workshops on digital literacy and job coaching. As a result, the organization was able to surpass pre-pandemic enrollment numbers thus marking a successful rebound.

"Before I started going to the Literacy Alliance, I stayed in the house all of the time. Now, my reading has improved a lot. I know how to read the bus schedule, and I can read signs now. This has freed me to travel all over the city! I have direction in my life now. Recently, I wanted to find a new job. I interviewed, took a test, passed the test, and got the job! I will be working security at city offices around town. Greeting people and helping people is perfect for me." -- Lynette, Literacy Alliance Student

Broward College Peer Mentoring AmeriCorps members serve low income, first generation, first time in college, minority students and students facing barriers to their success in post secondary education with a nationally established, evidence based PeerForward mentoring program. Members give college students the resources they need to be successful in college including academic support, navigation of resources and goal setting strategies. Members are also college students who receive mentoring and leadership development through intentional training and service year support.

During 2021-2022, the program of the year has:

- Mentored 515 students in college completion and financial literacy topics.
- Helped 229 Broward College students to earn a technical certificate or post-secondary degree.
- Supported Broward College's Seahawk Pantry, providing food and hygiene assistance to over 500 households.
- Most impressively, serving as an AmeriCorps member also meant that members were more likely to complete their own college coursework. Since the program's launch in 2019, more than 100 of the 130 members serving have finished their course of study within three years.

"We are grateful to our partners AmeriCorps and PeerForward for their collaboration and funding of the Broward College Peer Mentoring program. Together, we have ensured students achieve their academic dreams. The Peer Mentoring program has demonstrated the power of connection in enhancing a student's sense of belonging and overall college experience. It removes barriers to success by creating a safe space for student success modeling, mentorship, and personal and professional development, all in a community of support and resource sharing."

-- Gregory Adam Haile, J.D. , President, Broward College

VOLUNTEER GENERATION FUND

- In 2022, Volunteer Florida's 13,818 skills-based Volunteer Generation Fund (VGF) volunteers provided 250,412 hours of service in Florida. A value of \$6,931,404.
- VGF grantees recruited 2,638 skills-based volunteers which increased economic opportunity for communities by preparing people for the workforce.
- VGF grantees recruited 1,573 skills-based volunteers to serve rural communities with limited resources.

VGF programs engaged volunteers in diverse volunteerism activities including the following:

- **RCMA** volunteers partnered with local community organizations to distribute \$100k in gift card assistance to families recovering from Hurricane Ian.
- **Florida Veterans Foundation** volunteers provided 164 service workshops to 5,123 veterans throughout the state of Florida.
- **Lakeland Volunteers in Medicine** utilizes the volunteer services of medical professionals. Volunteer pharmacists filled 6,824 prescriptions.
- **Volunteers In Service To The Elderly (VISTE)** provided over 14,400 grocery baskets of items to clients.
- **Junior Achievement of The Palm Beaches and Treasure Coast** engaged 1,667 skills-based volunteers who provided Junior Achievement's financial literacy, workforce readiness, and entrepreneurship programs to 71,000 students in Palm Beach, Martin, St. Lucie, Indian River, and Hendry counties.

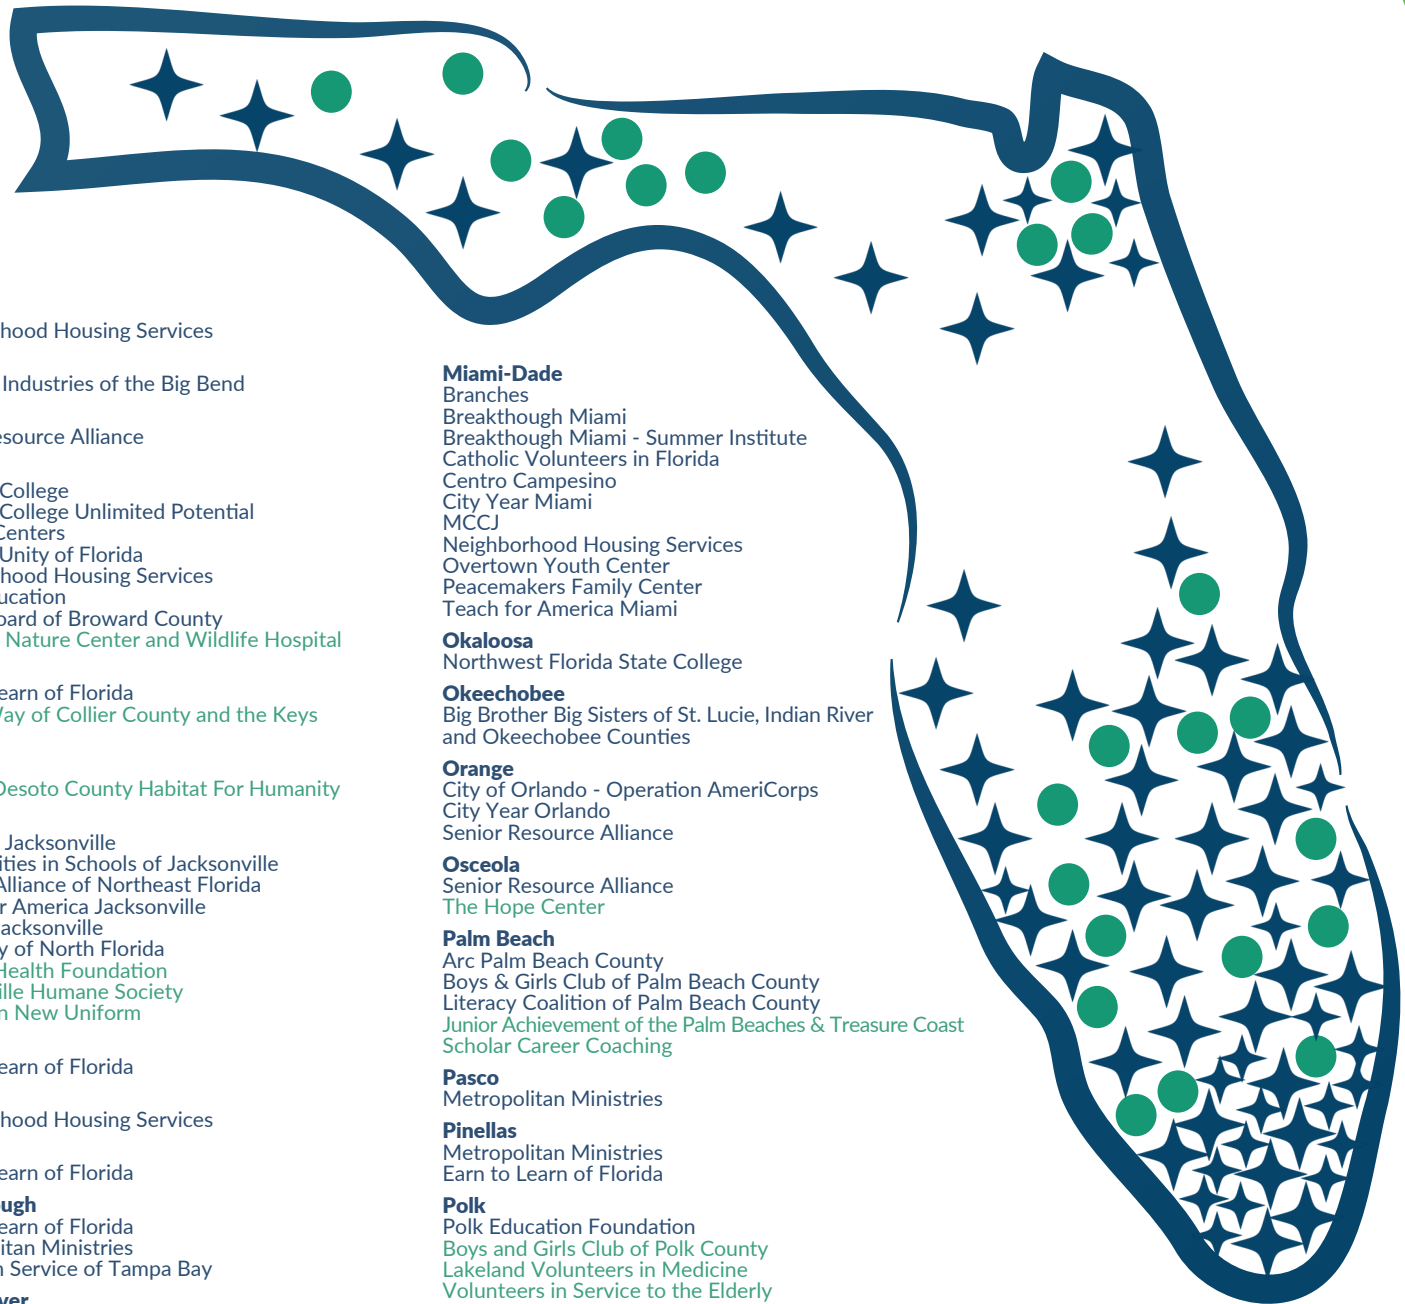

Volunteer Generation Fund Impact Study

Volunteer Florida completed a three-year Impact Study, representing the 2014-2021 grant years, to understand how VGF resources supported skills-based volunteer programs. The evaluation represented 88 organizations and 147 subgrantees. Some of the findings include:

- At least 40% of the subgrantees reported an improvement in each volunteer management practice with only a few exceptions. The volunteer management practices under consideration were 1) Market Research and Community Needs Assessment, 2) Strategic Planning to Maximize Volunteer Impact, 3) Recruiting and Marketing to Prospective Volunteers, 4) Interviewing, Screening and Selecting Volunteers, 5) Orienting and Training Volunteers, 6) Ongoing Supervision and Management, 7) Recognition and Volunteer Development, and 8) Measuring Outcomes and Evaluating the Volunteer Process.
- The three practices with the greatest number of subgrantees reporting improvement were as follows: Market Research and Community Needs Assessment (65%), Strategic Planning to Maximize Volunteer Impact (63%), Measuring Outcomes and Evaluating the Volunteer Process (62%).
- Of the 88 organizations funded, 52 (59%) received one year of funding, training, and support, 13 (15%) received two VGF subgrants and 23 (26%) received the maximum three VGF subgrants.
- Ten of the eleven subgrantees that received three years of funding showed positive change in all eight volunteer management practices.

VOLUNTEER SERVICES

In 2022, the Volunteer Services department provided key volunteer engagement capacity-building opportunities to organizations across the state, facilitated the use of Volunteer Connect for thousands of individuals and managed a variety of special projects to foster volunteerism in the Sunshine State.

Presentations and workshops were provided to a variety of audiences to promote volunteer engagement, Volunteer Florida's research study and Volunteer Connect. Speaking opportunity highlights included participation in the following:

- Governor's Hurricane Conference
- United Way of Palm Beach County Disaster Cycle Series
- Florida Civic Advance First Friday Series
- Special Olympics Unified Champion Schools Youth Summit
- American Red Cross of Central Florida and US Virgin Islands Gathering

VOLUNTEER ENGAGEMENT LEADERSHIP CONVENING

VIRTUAL

VOLUNTEER ENGAGEMENT LEADERSHIP CONVENING

Guiding Concepts, Actionable Ideas

**OCTOBER 31 –
NOVEMBER 3, 2022**

volunteerflorida

In October, Volunteer Florida hosted its second large-scale convening to equip Florida's volunteer engagement leaders as they expand the impact of service in communities. The event included twelve insightful sessions and Diane O'Dell, Vice President of Community & Diversity Relations and Executive Director of the Foundation, provided the keynote address. Almost 300 individuals registered for the convening. Session highlights included:

- Mutually Beneficial Partnerships: Mission-Driven Volunteerism and Private Sector Engagement
- Recruiting Your Ideal Volunteer with Smarter Strategy
- Successful Volunteer Efforts in Florida's Rural Regions
- The Power and Benefits of Youth Service
- Context and Preparation - Effectively Mobilizing Volunteers in Disaster Relief

SERVICE ENTERPRISE

Service Enterprise is a national, research-based program model providing assessment, training and coaching opportunities so that organizations can fundamentally and strategically leverage volunteers to better achieve their social missions. In 2021, Volunteer Florida became a Service Enterprise Hub and in the spring of 2022 selected its first cohort of 5 organizations:

- Seniors in Service of Tampa Bay, Tampa
- United Way Emerald Coast, Fort Walton Beach
- Lakeland Volunteers in Medicine, Lakeland
- Breakthrough Miami, Miami
- Star of the Sea Foundation, Key West

Training is complete and leaders have begun receiving coaching. Organizations will apply for a 3-year Service Enterprise certification in the spring of 2023.

SUITS FOR SESSION

Suits for Session, Volunteer Florida's signature service project, resulted in the collection of more than 5,000 items of professional attire for job-seekers in need in February. The service project included twenty-two state agency donation drives and simultaneous day-long events on February 23rd - a curbside drop off location outside Tallahassee City Hall and the project's hallmark event inside the Florida Capitol. A special thank you to Simply Healthcare and Two Men and a Truck for their support.

Recipient Organizations:

- Bridges International
- AMIKids Panama City Marine Institute
- CareerSource Gulf Coast

Since 2016,
Suits For Session
has donated

more than
27,000
items of clothing

to
job-seekers in need
across Florida.

VOLUNTEER CONNECT

The state's official volunteer opportunities platform, Volunteer Connect, served as a streamlined hub for service across the state:

- Registered nonprofit and government organizations now number 720. Of those, 151 organizations registered during 2022
- Registered organizations represent 58 of Florida's 67 counties
- More than 400 volunteer opportunities were available to volunteers during the year

Volunteer Connect: Hurricane Ian

Hurricane Ian made landfall on September 28 and individuals across the nation immediately desired to provide disaster relief to individuals in affected areas. Key government and nonprofit partners posted opportunities and routed potential volunteers to Volunteer Connect as an effective way to meet disaster relief needs through service.

During October and November 2022, more than 3,300 unique individuals connected to organizations serving the area affected by Hurricane Ian. Dozens of organizations posted service opportunities, including:

- American Red Cross chapters
- Children's Home Society of Florida
- Operation BBQ Relief
- Department of Elder Affairs
- Boys & Girls Club of Lee County
- Charlotte Community Foundation
- Sarasota Volunteer Reception Center

VOLUNTEER FLORIDA RESEARCH SURVEY: THE NATURE OF VOLUNTEERISM IN FLORIDA

In the Fall of 2022, Volunteer Florida commissioned researchers at the University of Florida to pioneer a scientific quantitative survey of Florida residents about the nature of volunteerism. The survey revealed findings and objectives, offering stakeholders essential information about motivations and barriers associated with volunteering, formal and informal volunteering frequency, types of volunteer activities, and other important service indicators. The overview report and full study are available for download on our website.

A few of the key findings are below:

Floridians are invested in the well-being of neighbors and others in their communities.

Floridians are also committed to supporting the critical missions of non-profits and government entities across the state.

Floridians volunteer for a variety of reasons.

Floridians want to volunteer, but are often constrained by limited free time. Employers can transform that desire into action by offering programs, policies, or paid time off to encourage volunteerism.

EMERGENCY MANAGEMENT

- Volunteer Florida conducts three trainings per quarter. Post COVID we have seen an increase in demand for management of Volunteers and Donations in Times of Disaster. We conducted 14 trainings across the state and facilitated a Volunteer Reception Center Exercises.
- Emergency Management Staff presented at 4 conferences, leading 9 workshops.
- Emergency Management Staff also held the 2022 Volunteer Florida Emergency Management/ESF15 Convening. After a one-year hiatus due to COVID-19, Volunteer Florida was able to bring together county, state, federal, nonprofit and private partners to showcase their collaboration and partnership. 100+ individuals representing more than 50 organizations participated in our 5th convening hosted in Orlando.

COMMUNITY EMERGENCY RESPONSE TEAMS (CERT)

CERT trains Floridians in basic disaster response skills so they can provide critical support in their local communities by giving immediate assistance to victims before emergency first responders arrive on scene.

- In 2022, Volunteer Florida awarded 19 Community Emergency Response Team grants, totaling \$140,000.
- Emergency Management Team continued to work and expand the CERT program throughout the state and continuously being recognized as a national standard.
- Assisted organizations such as FEMA, California Office of Emergency Services (OEM), and Seventh Day Adventist Community Services (ACS) on a new CERT Donations training module.

Immediately following Hurricane Ian, **University of South Florida CERT** helped run a special needs and pet-friendly shelter while **Osceola CERT** provided both logistics and shelter support. **East Lake CERT** assisted with water search and rescue, water evacuation and transport as well as bottled water distribution, health and wellness checks and basic first aid. **Cape Coral CERT** helped staff the Emergency Information Center (EIC), and delivered sleeping cots and roughly 1,000 meals per day to first responders.

Charlotte County CERT helped staff a call center before, during and after the storm, fielding over 19,000 calls. Members also operated amateur radio stations at hospitals and shelters when regular communication systems were downed by the storm. **Florida Region 1 CERT** provided security patrols and managed food distribution points that helped feed over 6,800 Arcadia residents. **Ft. Lauderdale CERT** staffed a mobile kitchen and sorted, inventoried, and distributed goods to assist those most in need.

During Hurricane Ian,
Florida CERT Teams

served more than
5,553 hours

a value of more than
\$153,707

DISASTER RESPONSE AND RECOVERY

- On September 28, 2022 **Hurricane Ian** made landfall into Southwest Florida just shy of a Category 5 Hurricane. As our primary mission is to be ready to activate and support the state during any crisis or emergency, Volunteer Florida Emergency Management staff deployed to the State Emergency Operations Center as lead of Emergency Support Function 15, Volunteers and Donations.
- Deployed to the FEMA/State Joint Field Office (JFO) to support Hurricane Ian Recovery efforts.

- On November 10, 2022 **Hurricane Nicole** made landfall as a Category 1 Hurricane on the Treasure Coast. Volunteer Florida Emergency Management Staff were recalled to the State Emergency Operations Center to support the first Hurricane to hit the United States in November since 1985.
- Volunteer Florida sent a State Voluntary Agency Liaison (VAL) through the Emergency Management Assistance Compact (EMAC) request following a **historic flooding event in Kentucky**.
- Supported VOAD partners in response efforts following the **tornadoes in Lee and Charlotte counties** in January and **Wildfires in Bay, Calhoun and Gulf counties** in March.

FLORIDA DISASTER FUND GRANTS

- Volunteer Florida managed Florida Disaster Fund Grants for three unique disasters: Hurricane Irma, Hurricane Michael and Surfside Building Collapse.
- Volunteer Florida executed Rounds 9 and 10 Recovery Funding for Hurricanes Irma and Michael.
- **Catholic Charities of the Archdiocese of Miami** provided 10 fully handicap-accessible apartments for chronically homeless disabled individuals affected by Hurricane Irma, with three units designated for disabled veteran individuals.
- **Rebuilding Together Tampa Bay** rebuilt Irma-impacted homes including repair or replacement of roofs, soffit, fascia, and drywall.
- **SBP** rebuilt homes for 38 Hurricane Michael affected individuals from vulnerable groups including veterans, the elderly, persons with disabilities, homeowners of color, families with small children and the uninsured.
- **A Hand Up International Global Outreach Ministries** helped Hurricane Michael affected families that are living paycheck to paycheck with unmet needs including rent and mortgage assistance, delinquent utility assistance, relocation expenses, nutritional food items, medication and medical services as well as other basic needs.
- **The Florida Conference of Seventh-Day Adventists** provided warehousing assistance and donation-management staffing for donation warehouses serving those affected by the Surfside Building Collapse.

FLORIDA DISASTER FUND: HURRICANE IAN RESPONSE

"Operation BBQ Relief volunteers prepped, cooked and served close to a million meals in the 38 days deployed for Hurricane Ian effort. Both in-kind and monetary donations made these herculean efforts possible. Additionally, having the expert insight and guidance from partners at the SEOC and Volunteer Florida, amplified our efforts to make for a bigger impact. If 865K meals weren't enough, our volunteers returned to Port Charlotte and Sanibel last week to distribute a couple thousand Thanksgiving meals."

-- Dana Reed, Head of Government Relations, Operation BBQ Relief

"Thank you to Volunteer Florida for the fantastic generosity and support; they have enabled ToolBANK USA to deploy the greatest number of tools to any recent disaster. We were able to hire a local Hurricane Survivor to aid our team with tool distribution. The support broadened our reach and helped impact a larger group of people."

-- Bill Hess, Disaster Services Director, ToolBANK USA

"Funding support is crucial to fuel our operation in Florida to assist homeowners impacted by Hurricane Ian. Our Grey shirt volunteers are able to stay in the community through the response phase, into recovery, assisting residents by clearing debris from their homes, tarping roofs, and removing fallen trees. We remain committed to these communities. Thank you to Volunteer Florida and supporters of the Florida Disaster Fund."

-- Jeff Byard, Vice President of Operations, Team Rubicon

SPECIAL THANKS TO FLORIDA DISASTER FUND DONORS

The Florida Disaster Fund is the State of Florida's official private fund established to assist Florida's communities as they respond to and recover during times of emergency or disaster. With Governor and First Lady DeSantis's help, it has raised over \$60 million in donations to help with recovery in communities impacted by Hurricane Ian.

The list below represents donors who have given \$20,000 or more to the Fund. A special thank you to all the businesses, organizations and individuals who donated. You are instrumental in getting Floridians back on their feet.

VOLUNTEER FLORIDA FOUNDATION

The Volunteer Florida Foundation is Volunteer Florida's direct support organization, providing funds to administer high-impact national service programs and promote volunteerism throughout the state, while managing the Florida Disaster Fund - Florida's official fund to assist communities with disaster response and recovery. The Foundation is also responsible for the Governor's special initiatives, including the Black History Month, Hispanic Heritage Month and Native American Heritage Month student contests and celebrations.

- In 2022, the Volunteer Florida Foundation, the Executive Office of the Governor, the Florida Department of Education, the Florida Lottery, and the Florida Department of State successfully hosted the Black History Month and Hispanic Heritage Month Art and Essay Contests and the Excellence in Education Awards. All winners were separately recognized at the Governor's Mansion this fall. In addition, the first Native American Heritage Month inaugural contests were celebrated and recognized in collaboration with the Seminole Tribe of Florida at the Governor's Mansion on November 30, 2022.

- Essay contest winners each received a Florida College Plan scholarship provided by the Florida Prepaid College Foundation. Art contest winners each received gift cards for school supplies and a pass to the Florida State Parks. And the Excellence in Education award winners each received a \$2,500 monetary prize from Volunteer Florida.

- The Florida Disaster Fund, administered by Volunteer Florida Foundation, was established in 2004 to fulfill unmet needs after disasters. This allows Floridians to benefit from all available resources with maximum efficiency, limiting duplication of effort. The Volunteer Florida Foundation distributes the Florida Disaster Fund among voluntary organizations that have identified unmet needs and are engaged in disaster response and long-term recovery activities in Florida.

HEALTHY MINDS: TEEN MENTAL HEALTH CONVENING

Florida middle and high school student leaders gathered together in Orlando April 19-21, 2022 to participate in Volunteer Florida Foundation's Healthy Minds Teen Summit, a youth-centered event to discuss mental resiliency and the unique challenges impacting teens today.

Florida's youth leaders who participated in the Summit, sponsored by Sunshine Health, tackled tough subjects and engaged in meaningful dialogue about emotional intelligence, behavioral health and mental resiliency. The three-day event encouraged participants to develop leadership skills, deepen peer relationships, and innovate ways to help address the issues impacting today's young people.

"Being a teenager is hard enough. Add in a pandemic, and our young people are struggling through some intense and uncharted territory. But if you want to know what's going on in a young person's mind, just listen," said Volunteer Florida CEO Corey Simon. "The Healthy Minds Teen Summit served to lift Florida's youth, both their spirits and their voices, giving them a place to talk about their issues as well as helpful tools to work through them."

Inspirational addresses to the Florida youth in attendance were delivered by the National Alliance on Mental Illness, NBA basketball legend Earvin "Magic" Johnson, and three-time Olympic gymnast Dominique Dawes. Sponsors of the event included Sunshine Health, Simply Healthcare Plans, Molina Healthcare, and other major providers and experts in health care and mental wellness.

THANK YOU TO OUR FOUNDATION DONORS

SPECIAL THANKS TO OUR PARTNERS

Volunteer Florida is grateful for our longstanding partnerships with AmeriCorps, the Florida Department of Education and the Florida Division of Emergency Management. Our federal and state partners make it possible for Volunteer Florida to administer national service programs throughout the state, fulfill our critical role before, during and after emergencies and promote volunteerism throughout Florida. We look forward to continuing to serve Florida with these outstanding partners in 2023.
