

**DONATIONS OF PROFESSIONAL ATTIRE AND ACCESSORIES:
ORGANIZATIONS IN FLORIDA**

THIS LIST INCLUDES ORGANIZATIONS IN FLORIDA THAT MAY PROVIDE PROFESSIONAL ATTIRE TO INDIVIDUALS IN NEED. Some may not accept items at this time, depending on their storage abilities.

This is not a comprehensive list for the state, and these are not official Suits for Session recipient organizations. Please appropriately vet organizations before donating. We also recommend an Internet search including your location and phrases such as “professional clothing donations.” The list is for informational purposes only. An organization’s inclusion *does not serve* as an endorsement of the organization or its activities by Volunteer Florida.

NONPROFIT THRIFT STORES IN YOUR AREA: Many nonprofit thrift stores accept professional attire and other items because they can collect, sort, repackage and house donated items. The logistics connected to these efforts are significant. These organizations provide jobs and reasonably priced items to their communities. They often establish memoranda of understanding with other organizations that then refer their clients. These clients can select items at no or low cost for their needs. We encourage you to research these additional avenues, beyond the below suggestions, in your communities!

BROWARD COUNTY/FORT LAUDERDALE
